NATIONAL AWARDEE FOR OUTSTANDING EFFORTS IN SCIENCE & TECHNOLOGY COMMUNICATION - 2005

Honorary Presidents : Prof. Rachapalem Chandrasekhar Reddy, Dr. C. Stalin, Dr. N. Ranga Rao
President : Dr. Ch. Ravikumar General Secretary : K. Srinivas, Treasurer : G. Muralidhar

Date : 03.10.2016

To,
The Commissioner and Director of School Education (SE Wing),
Govt. of Andhra Pradesh,
Hyderabad.

Respected Madam,

Sub: Request to direct DEO's and Head masters to Co-operate for
"Chekumuki Science Sambaraalu -2016" - A Science Fest.

As you are aware that the Jana Vignana Vedika, a Member of AIPSN & NCSTC Network, DST, Govt.of India and recipient of Govt. Of India's highest award for its efforts in Science and Technology Communication, is organizing Chekumuki Science Sambaraalu for the last 23 years for School students in all the 13districts with the support of Department of School Education, Govt. Of A.P. We are conducting this activity at 4 different levels. i.e., School, Mandal/Town, District and finally at State level. Around 4.5lakh students from more than 5000 schools participated in this science fest last year i.e.2015 at school level. The present year schedule is as follows;

School level is on November 8th, Mandal/Town level is on November 19th, District level is on 10th and 11th of December 2016 and State level is on 11th, 12th and 13th of January 2017.

This is one of the biggest events being conducted by the JVV every year to inculcate a sense of co-operation and collective action in children. *This science fest is JVV's humble effort to instil team spirit, self confidence and a quest on science among the students which are essential to mould today's students into next generation scientists who can propel our Nation into a developed country.*

This year we are expecting that around 4.5lakh students from around 5000 schools of around 500 mandals of all 13 districts will take part in this science fest.

We request you to kindly use your good offices and direct DEO's and Head masters to Co-operate with us in conducting "Chekumuki Science Sambaraalu -2016"

We are highly grateful to you for this support which will not only give moral boost to our activists but also make this child centred science activity a grand success.

With best regards,
Yours Sincerely,

(K.Srinivas)
General Secretary,
Jana Vignana Vedika(AP)
